### **Services/Programs**

At the 375 Longwood Avenue garage, we provide a number of courtesy services which include flat-tire and jump start assistance, self-service wind-shield cleaning on every level, and Books-To-Go on tape or CD (for monthly parkers only). There is also car washing and cleaning services on Mondays, Tuesdays and Fridays starting at 7am, located on level P1 (free parking is extended for full detail services). Please contact CarCare at 617-277-7400 for more information.

There are bike racks located just outside of the garage entrance as well as at the end of the 15-minute loop at the top of the handicap ramp.

### **New Electric Vehicle Charging Station at the MASCO Garage**

MASCO is pleased to announce the arrival of our new electric vehicle charging station, located at the 375 Longwood Avenue Garage. Funding for this Coulomb dual-charging unit was made possible through a City of Boston grant, with installation support and technical assistance provided by Voltrek.

“EVE” (Electric Vehicle Energizer) is equipped with two charging docks and can deliver a full charge in 4 hours. This station is located on level P2 and will be operational 24 hours/day, 7 days/week. You simply park your electric vehicle anywhere in the garage, go to the garage office to register/leave your keys with the garage attendant, and we take care of the rest\*.

The charging service is free for monthly parkers. Other parkers pay only the applicable daily parking rate for the time they are in the garage.

\*Please note charging is available on a first-come, first-served basis.

We hope you'll get a “charge” out of EVE!
